

Luxurious porcelain

that will emphasize the prestige of the brand

The Prince mug

Exclusive model

The Prince mug is an exclusive model with an interesting shape. Extremely light with thin and straight walls that perfectly highlight the branding on them. It is available in two capacity versions.

Rich branding

It has a wide range of decoration possibilities. A golden rim or a golden handle will perfectly emphasize the prestige of the brand.

Elegant cup

The Prince set is an elegant cup whose style refers to the Prince mug. Thin-walled with an eye-catching handle, it is the quintessence of good taste. Combine these two unique products into a prestigious set that will delight all customers.

Prestigious duo

The finished Porcelain Grace set delights with its elegance. Packed in dedicated ecological packaging and provided with an elegant, personalized wrapper, it gives the word „gift” a completely new dimension.

The Medea cup

Impressive cup

The delicate shapes, smooth surface and subtle details of our porcelain cups make them not only pleasant to use, but also fit perfectly into various interior styles. Coming in two sizes, Medea is perfect for colorful prints all around.

Sophisticated set

A sophisticated set of a cup and a beautiful saucer, Medea set, enriched with an interesting coloring, will elevate the promoted brand above the competition.
