

# Amazing 360° effect

New dimension  
of branding  
with the  
improved print  
**Galaxy 360°**

Are you looking for unique creative possibilities  
for decorating thermal mugs?

Discover our new improved Galaxy 360° print!  
Spectacular “wow” effect thanks to full-color and  
spatial print on the entire surface of the mug!

## Color on the entire surface

From now on, you don't have to limit your creativity in any way. Highlight your brand by choosing a multi-color print on the entire surface of the mug!

## Photorealistic 360° effect

Get a print in photorealistic quality and cover the entire surface of the thermos mug with it, thanks to our 360° printing technology.

## Play with space

To enhance the marketing effect, opt for a unique spatial 3D message.
